Willoughby, Ohio - The Shareholders and Directors of CT Consultants, Inc. take pleasure in announcing the addition of Timothy D. Clapper, P.E. as a new shareholder of the firm. Mr. Clapper, P.E. is a Senior Engineer with CT Consultants' Columbus Office. Since joining the firm in 2005, he has been instrumental in the growth and development of the firm's presence in the Columbus area.

Mr. Clapper provides thirty-five years of consulting engineering experience which has been primarily focused on construction administration and inspection for municipal infrastructure projects. Mr. Clapper received a Bachelor of Civil Engineering Degree from Ohio Northern University in 1973 and is a licensed professional engineer in Ohio. He is an active member of the American Public Works Association (APWA) and regularly leads APWA training sessions on construction inspection practices for the public sector.

About CT Consultants

CT Consultants is an Ohio based engineering, architecture, land surveying and construction services firm which has been providing municipal engineering services for over 85 years. CT currently has over 130 professionals in seven Ohio offices including Akron, Columbus, Independence, Lorain, North Canton, Willoughby and Youngstown.
