***City of Germantown***

Date: February 17, 2023

### **QUESTIONS**

Q1. Are the water services to be pulled or drilled under pavement? If they cannot be pulled, I do not believe you have the ROW to drill them. If they are open cut can the pavement restoration be paid for under the pavement replacement bid item?

A1. It was intended that the water services be open cut. The quantities in the bid form include pavement restoration in accordance with the detail as shown in the Trench Detail on Page 2 of the project drawings.

Q2. Are MBE/WBE Forms required as part of the bid submittal?

A2. Contractors shall complete all “BF” forms as part of the bid submittal, including Page BF.EPA.3 which describes whether the contractor intends to meet the MBE/WBE goals. The successful bidder will provide more detail on MBE/WBE Form 1A (Pages CF.EPA.4 – CF.EPA.5) and MBE/WBE Form 1B (Pages CF.EPA.6 – CF.EPA.7) upon award.
