**Re: Contract A - Elberta Beach Pump Station Renovation and Equalization Basin Impr. and
Contract B - Manhole Replacement and Rehabilitation
Bid Results**

Dear Mr. Kurtz:

Bids were received for the above referenced project on September 11, 2012 and attached you will find a copy of the Bid Tabulations outlining each bid for your review. The bids for Contract A ranged from a low bid of \$1,277,000.00 to a high bid of \$1,480,000.00 as compared to the Opinion of Probable Construction Cost of \$1,384,000.00. The bids for Contract B ranged from a low bid of \$191,417.00 to a high bid of \$224,844.00 as compared to the Opinion of Probable Construction Cost of \$227,000.00.

The low bidder for Contract A for the Pump Station and Equalization Basin is Stevens Engineers & Constructors, Inc. of Middleburg Heights, Ohio whose bid has been reviewed and found to be in conformance with all contract requirements.

The low bidder for Contract B for the Manhole Replacement and Rehabilitation is Herk Excavating, Inc. of Vermilion, Ohio whose bid has been reviewed and found to be in conformance with all contract requirements.

It is our opinion that both contractors are experienced and qualified to perform the work within the contract.

Should you have any questions or require additional information, please feel free to contact our office.

Respectfully,

CT CONSULTANTS, INC.
